## 1. Core Framework, Operating Laws & Scoring Economy

### The 4-Tier Progression Architecture

- **Tier 1 (Floor):** Minimum viable version. Executed on sick days, baby crisis, or heavy travel. *Rule: Never miss Tier 1 twice in a row.*
- **Tier 2 (Foundation):** 80% version (Weeks 1–6). Grooves automaticity.
- **Tier 3 (Standard):** Full design protocol (Weeks 7–14). The baseline.
- **Tier 4 (Mastery):** High-performance optimization (Weeks 15–26).

### Habuilt Daily Scoring Economy

- **Full Day Target:** 41 points possible, threshold 32+ points (78%+ stickiness).
- **Half Day Target:** 28 points possible, threshold 22+ points.
- **Floor Day Minimum:** 15 points (Spine mobility + 5 outbound touches + Shaarvi sleep routine + sleep log).
- **Rule of Graduation:** Maximum 1 habit graduation per week.

**C. METABOLIC, GLUCOSE & LIPID PROTOCOL (LDL 146 → <130, GLUCOSE 108 → <95)**

- **Isabgol / Psyllium Husk (`a-70`, `a-71`):** 1 heaped tsp in 300ml warm water **15m pre-lunch and 15m pre-dinner**. Traps bile acids to lower LDL and blunts glucose absorption. Keep 2 hours from other supplements.
- **Ground Flaxseed (`a-8`):** **2 tbsp freshly ground flaxseed** added to morning breakfast.
- **Grain Swaps:** Replace refined wheat rotis with jau (barley) or oats (beta-glucan lowers LDL).
- **Daily Soy Protein (`a-30`):** Soya chunks or organic tofu daily at dinner.
- **Post-Meal Walking (`a-67`, `a-68`, `a-22`):** 10m walking immediately after breakfast, lunch, and dinner.

7. Business, Growth OS & Financial Governance

**Outreach & Design Partner Engine**

- **Weekly Touch Target:** 25 high-value outbound touches logged in CRM.
- **In-Person Gym Script (Hinglish):** *"Hi, mera naam Ashish hai. Main trainers ke liye ek WhatsApp tool bana raha hoon jo daily check-ins automate karta hai. Client reply karta hai, AI check karta hai diet/workout follow hua ya nahi. 10 coaches ko lifetime FREE de raha hoon 2 weeks feedback ke badle. Interested ho?"*
- **Instagram DM Script:** *"Hey [Name]! Love your client transformation posts. Quick question — do you manually follow up daily to verify if clients followed their diet/workout? I built a WhatsApp tool automating this and offering 10 coaches lifetime free access. Open to a 2-min explanation?"*
- **The Golden Rule:** Do NOT code speculative features until 3+ coaches independently demand the exact same capability.

**Financial Governance & Tax Reserve**

- **Friday 25% Tax Set-Aside ('a-75')**: Transfer 25% of all contract/professional receipts to an untouchable tax reserve account under Section 44ADA (advance tax due 15 March).
- **Friday 10% Auto-Savings ('a-41')**: Transfer minimum 10% of weekly income directly to investment/emergency reserves before spending discretionary funds.
- **Sunday Expense Audit ('a-42')**: Reconcile credit cards and bank statements in budget sheet; verify liquid runway.
